## CYO Eligibility

CYO of Long Island is a parish-based organization serving the youth of Nassau and Suffolk counties. To be eligible to participate in a parish program, the following requirements must be met:

- Live within your parish boundary. If a participant does not live within your parish boundary, he/she is eligible to play at your parish if the following applies:
  - (a) Parents are registered parishioners (for at least 2 years).
  - (b) Participant attends parish school (does not include Regional Catholic schools).
  - (c) Participant attends Faith Formation classes in your parish (for at least 2 years).
  - (d) Participant lives in an adjoining parish\* that does not have a program.
  - (e) Participant has previously been granted a waiver and participated in your program.
- Proper age/grade level. A participant may play up one grade level

\*If a participant lives in a parish that does not have a program, that participant may request to play in an adjoining parish that does have a program. The adjoining parish chosen will become that participant's designated parish. If in the future their home parish organizes a program, they may return to their home parish or remain in the designated parish. Participating at a different adjoining parish is not an option.
