

Main/Teen Camp

It's getting closer to the first day of camp and we just wanted to send out some reminders.

First, please remember that there will be no lunch served at camp. There will be a small snack on days we are back at camp (Monday, Tuesday, Wednesday, and Friday) but the campers still need lunch and water everyday. Additionally, each day campers need a bathing suit, towel, sunscreen, and change of clothes and should be wearing sneakers. This ensures that they will be prepared for whatever we do that day including sports and water activities. Campers should not bring cellphones, iPads, toys, or any other personal items to camp as they may be lost or broken.

We will also be doing tie dye weekly, so please pack a white/light cotton item for your camper to tie dye. This does not need to be a tshirt but can also be cotton shorts, a pillow case, socks, scrunchie, cotton mask, etc. The dates for tie dye are:

- Week 1: Wednesday, 6/30
- Week 3: Friday, 7/16
- Week 4: Wednesday, 7/21
- Week 5: Friday, 7/30
- Week 7: Wednesday, 8/11

As for Wednesdays, we will be having "trips" at camp where we have a special activity brought in. This will include activities like pizza and movies, magicians, glow parties, making stuffed animals, designing cookies, and inflatables.

For drop-off and pick-up, campers should be dropped off between 8:45 and 9:00am. Parents should drive up to the door to the left of the main camp entrance. Counselors will be outside to bring the campers into the gym. Similarly to last year, parents will not park and bring the campers inside, but drive up and drop them off. Pick-up is a similar process and runs from 3:45 to 4:15. When parents pull up to the door to the left of the main entrance, a counselor will be outside and will check identification (please have it ready) and have the parent sign for the child. The counselor will then bring the camper out to the car.

We look forward to seeing you soon!
