

June 8, 2020

Dear Parents,

As camps were given the “green light” to open, we anticipate a June 29<sup>th</sup> start date. We want to continue our camp experience at our campus in Smithtown. While it may be a different experience for your child, we know they will enjoy the activities and seeing others, as we look forward to re-opening. Camp prices have been reprogrammed, on the website. A pricing sheet is also viewable on our website, so you can peruse prior to registering.

In order for us to understand our camp enrollment, I ask that you register before Friday, June 12<sup>th</sup>, with a deposit. Our program must be cost-effective to allow for our staff and supplies needed to operate.

Once we realize the numbers of campers poised to attend, I will ask that your tuition be paid, two weeks in advance. After that, the next fees due will be on July, 1<sup>st</sup> and July 15<sup>th</sup>. We understand this is an uncertain time. In order to allow parents other options, should our enrollment not be sufficient, any given week, I want everyone to have the opportunity to enroll- with your planned weeks of attendance, before we commit to our staff.

Please go to our website at [stpatsyouth.com](http://stpatsyouth.com). You may choose your weeks and pay a \$75.00 deposit. This applies to your tuition.

Thank you. I will update you all on Saturday, per our options for the Summer Program at St. Patrick.

Kind regards. Continued health and safety,

Cindy Marsh
