

**St. Patrick's Youth Association  
Intramural Basketball League  
2022**

**Rules & Modifications**

NCAA Rules (Girls), and National Federation of State High School Associations (NFHS) Rules (Boys), govern league play.

**Boys 3<sup>rd</sup> – 4<sup>th</sup> – 5/6 combined  
Girls 4/5 combined**

**Games consist of 4, ten minute quarters. No press at any time.**

**Fouls: Boys: 7<sup>th</sup> foul of each half, shoot 1:1**

**10<sup>th</sup> foul of each half, shoot 2**

**Girls: 5<sup>th</sup> foul of each quarter, shoot 2**

- Coaches must make every effort to afford all players equal playing time.
1. Each game will be stopped at the half-way point of every quarter to allow for a five-player substitution by each team **\*\* If a team has greater than 10 players on the bench, a coach is allowed one mid 5 minute substitution for each player over 10. Any player who comes out at that point may not play again in the next 5 minute time frame\*\***
  2. This substitution is mandatory for all teams.
  3. The five players entering the game will report to the scorer's table where the scorekeeper will note the entering player's number as shown on the attached example "*Score and Player Substitution Sheet*". Coaches are encouraged to use this sheet as well during a game. If a coach believes an illegal substitution has been made, he/she must request an official's time-out and ask for a ruling by the referee using the scorekeeper's version as the official document. If a violation has occurred, a warning will be issued to the violating coach. If a second violation occurs during the game, the violating team will be assessed a two shot technical foul and loss of possession. A third violation during a game will result in forfeiture of the game by the violating team. Additionally, the violating coach will be subject to further disciplinary action including suspension or dismissal from the program.
  4. There will be no further substitutions allowed during the quarter except in the event of injury or player disqualification.
  5. Substitutions are not allowed during a time out other than as a result of injury or disqualification.
  6. In the event that a team has less than 10 players, no player shall be allowed to start more than two consecutive substitutions.
  7. This rule applies during overtime periods as well..
  8. Subject to 6 above, coaches may start any five players at the beginning of the first overtime period.
  9. If a game goes to two or more overtime periods, players must be substituted at the beginning of each subsequent overtime period.

**Rules & Modifications**

**7 & 8 Grade Boys Combined ~ Girls 6-8 Girls Team**

**Boys and Girls**

20 minute halves

Running clock except for the LAST MINUTE OF THE GAME Put 1 minute on clock at half time

Overtime is 2 minutes---1 minute running and 1 stop time Each team gets additional time out for OT

**Foul differences**

**Boys**

Re set fouls at the end of the half

Fouls DO NOT RESET at end of game if there's OT

7 team fouls is one and one

10 team fouls is two shots

**Girls**

3 timeouts per game

Girls fouls reset at end of each quarter

5 team fouls team shoots two

Since we play halves and not quarters you will reset the fouls at the 10 minute point in each half and at half time but not at end of game if there's OT Example Game starts first half At 10 minute mark reset Halftime reset Second half 10 minute mark reset End of game if there's OT fouls DO NOT RESET
